

Say Yes Buffalo Internship Opportunity

Position: FBI Honors Intern

Job Summary

The Honors Internship Program is a 10-week, paid internship for undergraduate and graduate college students. The program runs from June 2019 through August 2019. While exploring our exciting career options, students will work side-by-side with FBI employees at one of our FBI Headquarters locations or in one of our 56 field offices located across the country. The goal of this internship is to offer students experiences they can't find anywhere else and to assist the FBI with building a pipeline of potential future entry-level employees. **FBI Hiring Managers are seeking applicants from a wide range of academic areas of study.** Interns are placed in assignments based on their educational background, skill sets and unique life experiences.

Key Requirements:

1. You must attend an accredited college or university within the United States full-time as an undergraduate, graduate, or post-doctorate student. Students are not eligible if graduating before the program start date (June 2019); exceptions are permitted to students continuing their education in the following semester. **An example of this would be if an individual was graduating in June 2019 but planned on continuing their education in Fall 2019.**
2. **You must have and maintain at least a 3.0 GPA.** If you are a first-semester freshman, or your school does not provide a GPA, you must have maintained a 3.0 high school GPA, and meet one of the following alternate criteria:
 - SAT: 1500 out of 2400, or 1000 out of 1600 (most recent SATs)
 - ACT: 21 or higher
3. You must be able to obtain a Top Secret security clearance and be available for processing within the continental United States, Hawaii or San Juan.
