

Say Yes Buffalo Internship Opportunity

Position: Information Tech Intern

ORGANIZATION: Univera Healthcare

LOCATION: 205 Park Club Ln, Buffalo, NY 14221 – **Transportation assistance is available**

Excellus BlueCross BlueShield is hiring 13 individuals for our next class of Information Technology Interns, joining our organization during the Summer of 2019. Each of our interns will be selected to work within one of our main focal areas, such as:

- Software Engineering
- Test Automation Engineering
- Cloud Engineering
- Cybersecurity
- Release Management
- Business Analytics
- Process Improvement & Lean Six Sigma

Excellus, headquartered in Rochester, NY, is part of a \$6.6 billion family of companies that finances and delivers healthcare services across upstate New York, and long-term care insurance nationwide. Collectively, the enterprise provides health insurance to about 1.5 million members and employs nearly 6,000 New Yorkers.

Our commitment is to build an inclusive culture that recognizes and values the uniqueness of each of our employees and all of their contributions and leverages its diverse workforce to maximize our competitive advantage, enhancing company performance and profitability.

MORE THAN JUST WORK:

In addition to real world experience, students participate in learning and development opportunities, such as:

- Social Media & Personal Branding
- Company Culture and you – where do you fit?
- Public speaking, networking, and more!

OUR COMPANY CULTURE:

Employees are united by our Lifetime Way Values & Behaviors that include compassion, pride, excellence, innovation and having fun! We aim to be an employer of choice by valuing workforce diversity, innovative thinking, employee development, and by offering competitive compensation and benefits. **This is a paid 10-week summer internship from June 3rd to August 9th (up to 40 hours per week).** Development events are provided to help with the transition from school to the corporate environment.

Essential Responsibilities/Accountabilities

- Works closely with a technical mentor, providing support to key projects. Each intern will be expected to present his or her project work to senior leaders through IT at the conclusion of their internship.
- Participates in varying work assignments, carrying varying sets of possible responsibilities, based on business needs, departmental opportunities, and the intern's experience and qualifications.
- Consistently demonstrates high standards of integrity by supporting the Lifetime Healthcare Companies' mission and values, adhering to the Corporate Code of Conduct and leading to the Lifetime Way values and beliefs.
- Maintains high regard for member privacy in accordance with the corporate privacy policies and procedures.
- Regular and reliable attendance is expected and required.
- Performs other functions as assigned by management.

Minimum Qualifications

- Say Yes Scholar currently enrolled as a student in an IT-related degree program at an accredited university, with a GPA of at least 3.0.
- **Undergraduate Junior or Senior preferred**
- Excellent communication skills, both verbal and written, with the ability to communicate to both technical and non-technical audiences.
- Demonstrated ability to work in a fast-paced, dynamic environment, delivering consistent, high quality work product.
- Demonstrated ability to work in a team setting, establishing and maintaining positive working relationships with peers.
- Demonstrated problem solving and analytical skills.
- Demonstrated ability to multitask and prioritize tasks – with a strong attention to detail.
- Demonstrated technical experience – specifics will vary based on specific role.

All offers are contingent upon passing a background check and drug testing.

To Apply:

1. Submit resume and cover letter to buffalointernships@sayyestoeducation.org
2. Once your resume and cover letter are approved, please complete the online application at <https://www.univerahealthcare.com/wps/portal/uv/careers/career-areas/internships>.
