Organization Name: Harmac Medical Products, Inc.

Location: 2201 Bailey Avenue, Buffalo, NY 14211

Website: www.harmac.com

Organization Description and Core Values: Harmac Medical Products, Inc. is an innovative, full service contract manufacturer of single-use medical devices, serving the global marketplace for more than 40 years. With locations in the United States, Ireland and Mexico, Harmac provides integrated technical solutions and full manufacturing services for companies of all sizes including leading Fortune 500 med-tech companies. Harmac offers expert capabilities at every step of the manufacturing process – from concept, design and prototyping to manufacturing, packaging and sterilization. We are proud to deliver results to leading medical device companies around the globe.

Our core values are honesty, integrity and respect.

Our vision is “Changing the lives of patients, employees, and the communities in which we work.” Our Buffalo NY corporate location created the Bailey Green Initiative in 2008 to support the Bailey-Genesee neighborhood where many of our employees live. There may be some limited opportunities in 2022 to work with the community or to participate in internal opportunities that will help the neighborhood and Buffalo organizations.
