1. Go to sayyesbuffalo.org and click the LOGIN TO YOUR SCHOLARSHIP ACCOUNT button.

2. Click on “Create an Account.” Make sure to use your personal email address, not your school address. Remember to write down your password! When finished, click the “Sign-Up” button at the bottom of the page.

3. Now you will be taken to your Say Yes Application. Make sure all your information is correct and complete and then click on the orange “Next” button at the bottom of the page.

4. Check both boxes indicating that your information is correct and that you are allowing your college to share your information with Say Yes to verify your eligibility. Submit your electronic signature by typing your first and last name in the box at the bottom.

5. Next you will see your Eligibility Status in the top left of the screen. If it states you are ineligible, please visit our appeal page at sayyesbuffalo.org/appeal to see if you qualify for an appeal.

6. Continue to the “Personal Info” tab on the top blue banner and scroll down to see your “Eligibility Percentage” stated in the box. Make sure that you have a guardian approved by going to the guardians tab above and if not, click on the “Add New Guardians” tab and follow the instructions. Refresh your page when done to see your changes. This will allow them to contact Say Yes about your account and scholarship information.

7. Next go to the “Enrollment” tab at the top. Click on the orange box “Add Colleges” and find the semester & school that you are interested in attending. Once you have made your final college decision, click on the blue “Affiliation Key” next to the college and change the role from interested to enrolled.

8. You are finished! Remember to log back in after you know for sure what college you will be going to and make sure that information is correct in the “Enrollment” tab.
