

Say Yes Buffalo Internship Opportunity

Position: Digital Subscriptions Intern

Organization Name: The Buffalo News/The Sun

Location: 1 News Plaza, Buffalo, NY 14203

Website: www.buffalonews.com

Position Supervisor & Title: Brian Connolly, Publisher of the Sun

Internship Title: Digital Subscriptions Intern

Internship Duties and Responsibilities: We are looking for Data Analytics Intern with a background in math, computer science, statistics or similar background to design and implement new data exploration techniques at The Buffalo News. The Data Analytics Intern will assist the Digital Subscription team with audience insights and subscriber retention, as well as support the greater team in new business initiatives.

Minimum Requirements:

- Say Yes Scholar in good academic standing, enrolled in college full-time, or recent Say Yes graduate
- Applicants should be familiar with the Google Analytics API, SQL and statistical programming in Python or R.
- Experience with Elasticsearch would be a plus.

Intern takeaways:

- Interpersonal, communication and organizational skills

Duration of employment: 10 weeks (flexible) – the exact start and end dates will be decided upon by the employer and hired intern.

Compensation: \$11.10/hr, approximately 20 hours per week

Accommodations:

The Say Yes Internship Program is committed to providing equal access to individuals with disabilities, including physical access to programs and reasonable accommodations for interns.

To apply: Submit cover letter & resume to buffalointernships@sayyestoeducation.org. **Please note:** If necessary, Say Yes staff may send you edits or suggestions regarding your cover letter and/or resume. In order to submit your materials by the deadline, please ensure that you check your email and reply promptly.

Deadline: May 15, 2019

Interviews: Will take place on a rolling basis.
